overall winner of the 2019 ocm bocas prize for caribbean literature high mas carnival and the poetics of caribbean culture explores caribbean identity through photography criticism and personal narrative taking a sophisticated and unapologetically subjective caribbean point of view the author delves into mas a key feature of trinidad performance as an emancipatory practice the photographs and essays here immerse the viewer in carnival experience as never before kevin adonis browne divulges how performers are or wish to be perceived along with how as the photographer he is implicated in that dynamic the resulting interplay encourages an informed nuanced approach to the imaging of contemporary caribbeanness the first series seeing blue features blue devils from the village of paramin whose performances signify an important revision of the post emancipation tradition of jab molassie molasses devil in trinidad the second series la femme des revenants chronicles the debut performance of tracey sankar s la diablesse which reintroduced the caribbean femme fatale to a new audience the third series moko jumbies of the south looks at stephanie kanhai and jonadiah gonzales a pair of stilt walkers from the performance group touch de sky from san fernando in southern trinidad jouvay reprised the fourth series follows the political activist group jouvay ayiti performing a mas in the streets of port of spain on emancipation day in 2015 troubling the borders that persist between performer and audience embodiment and spirituality culture and self consciousness the book interrogates what audiences understand about the role of the participant observer in public contexts representing the uneasy embrace of tradition in trinidad and the caribbean at large the

book probes the multiple dimensions of vernacular experience and their complementary cultural expressions for browne mas performance is an exquisite refusal to fully submit to the lingering traumas of slavery the tyrannies of colonialism and the myths of independence

in the art of adapting victorian literature 1848 1920 karen e laird alternates between readings of nineteenth century stage and twentieth century silent film adaptations to demonstrate the working practices of the first adapters of victorian fiction focusing on charlotte brontë s *jane eyre* charles dickens s *david copperfield* and wilkie collins s *the woman in white* laird charts a new cultural history of literary adaptation as it developed throughout the long nineteenth century

an imaginary conversation between the mythical trojan princess and prophetess cassandra and the author regarding peak oil climante change population overshoot and economic collapse

a comprehensive and authoritative overview of the diversity range and impact of the newspaper and periodical press in nineteenth century britain

stuart walker s design work has been described as life changing inspiring disturbing and ferocious drawing on an extraordinarily diverse range of sources and informed by creative practice design for life penetrates to the heart of modern culture and the malaise that underlies today s moral and environmental crises the author argues that this malaise is deep seated and fundamental to the modern outlook he shows how our preoccupation with technological progress growth and the future has produced a constricted view of life one that is both destructive and self reinforcing based on over twenty five years of scholarship and creative practice he demonstrates the vital importance of solitude contemplation inner growth and the present moment in developing a different course one that looks squarely at our current precarious situation while offering a positive hopeful way forward a way that is compassionate context based human scale ethically motivated and critically creative design for life is an intensely original contribution that will be essential reading for design practitioners and students written in a clear accessible style it will also appeal to a broader readership especially anyone who is concerned with contemporary society s rising inequalities and environmental failings and is looking for a more constructive balanced and thoughtful direction

deepak chopra turns to the most profound mystery confronting humankind what happens after

we die by marrying science and wisdom chopra builds his case for afterlife in which one's most essential self uses the end of life to pass over into the next lifetime

henry is a middle aged man in the 20th century living happily married to his beloved wife rose due to a sudden heart attack henry finds himself in the unknown realm of the afterlife lost alone and confused he meets croton as they embark on their journey together croton opens henry's eyes to all the beauty of his new reality and all the exploring that awaits him but not everything is rainbows and sunshine henry learns who croton really is and so their adventure begins

in this dazzling new book dr deepak chopra addresses one of the fundamental questions of existence it is hard to think about death but death is as much a part of life as birth and it affects every one of us drawing upon his personal experience the wisdom of ancient vedic philosophy and state of the art particle physics chopra helps us to overcome our fears and to consider all the remarkable possibilities that may await us in the afterlife with warmth logic and understanding dr chopra explores the theory that death is an illusion of the senses and that the soul survives in an ongoing spiral of refinement that ends in enlightenment thought provoking exercises offer a first hand experience of these and other ideas encouraging spiritual growth and readiness without requiring anyone to abandon their beliefs life after death is the book that dr chopra has been preparing to write his entire life it will help you make sense of your own spirituality whatever path you choose to follow offering you your very own practical map of eternity

in life after life raymond moody investigates more than one hundred case studies of people who experienced clinical death and were subsequently revived first published in 1975 this classic exploration of life after death started a revolution in popular attitudes about the afterlife and established dr moody as the world's leading authority in the field of near death experiences life after life forever changed the way we understand both death and life selling millions of copies to a world hungry for a greater understanding of this mysterious phenomenon the extraordinary stories presented here provide evidence that there is life after physical death as moody recounts the testimonies of those who have been to the other side and back all bearing striking similarities of an overwhelming positive nature these moving and inspiring accounts give us a glimpse of the peace and unconditional love that await us all

book 2 is the new keepsake edition that features book one the original proof of the afterlife the conversation continues a thick long lasting and durable cover stock new 192 pages of a decade of never before seen daily journal notes bro joseph s flood of fresh supernatural surprises dreams visions angels visitations insights inspirations and messages from the other side book 2 double the content and size of book one

it is a compelling paradox that while alive how we journey matters more than our destination but when we die does it matter how we go or is it only about where we reach the only fact we know for sure is that when we die those who love us will miss us but what will happen to us living has always been a whirlpool of motion change and unanswered questions in this book the author chirag attempts to imagine an ever changing and upgrading afterlife he tries to explore its purpose and history in a light and amusing banter involving people who have reached afterlife on diverse paths this book is a work of author s imagination intended not as a source of belief but of hope to comfort those of us left behind wondering

despite the range of studies into grief and mourning in relation to the digital research to date largely focuses on the cultural practices and meanings that are played out in and through digital environments digital afterlife brings together experts from diverse fields who share an interest in digital afterlife and the wide ranging issues that relate to this the book covers a variety of matters that have been neglected in other research texts for example the legal ethical and philosophical conundrums of digital afterlife the ways digital media are currently being used to expand the possibilities of commemorating the dead and managing the grief of those left behind our lives are shaped by and shape the creation of our digital afterlife as the digital has become a taken for granted aspect of human experience this book will be of interest to undergraduates from computing theology business studies philosophy psychology sociology and education from all types of institutions secondary audiences include researchers and postgraduate researchers with an interest in the digital at a practical level the cost of data storage and changing data storage systems mitigate the likelihood of our digital presence existing in perpetuity whether we create accidental or intentional digital memories this has psychological consequences for ourselves and for society essentially the foreverness of forever is in question maggi savin baden is professor of higher education research at the university of worcester she has a strong publication record of over 50 research publications and 17 books victoria mason robbie is a

chartered psychologist and an experienced lecturer having worked in the higher education sector for over 15 years her current research focuses on evaluating web based avatars pedagogical agents and virtual humans

in this fascinating book dr moody reveals his groundbreaking study of more than 100 people who experienced clinical death and were revived their amazing testimonies and surprising descriptions of death and beyond are so strikingly similar so vi

this book explores the wonders of the spirit world with the help of 67 case studies of afterlife it presents a fascinating account of spiritual setting where souls go after death the soul brain connection soul s travel between lives spirit guides and the ways spirits connect with and comfort the living

adventures in the afterlife is a powerful journey of spiritual awakening a bold quest for answers and enlightenment the old assumptions of heaven are confronted and an expansive new vision of our continuing life is presented after being diagnosed with cancer william buhlman author of adventures beyond the body pursued answers to the mysteries of our existence after death confronting his mortality he experienced profound insights into what lies beyond our physical body our journey into the next life is the basis for adventures in the afterlife the author chronicles his out of body experiences and lucid dreams through the eyes of a fictional character frank brooks the insights are sometimes surprising but a clear message is always apparent we are powerful spiritual beings and we shape our reality now and in the future the purpose of this book is to prepare us for the many thought responsive environments we will experience william buhlman teaches and lectures worldwide on the subjects of out of body experiences and spiritual empowerment visit the author at astralinfo.org

these days we're taught that death is the period at the end of the sentence of life a hard stop the end so many of us have never had faith in the idea that death might just be a simple transition to another form of life but suppose that's what it is and suppose there's proof the afterlife book takes a close look at the hidden workings of the spirit world and the endless life of the soul how it all seems to function and the earthly forces at play that influence the relationship between the afterlife and life as we know it in the book you'll find ancient mystics oracles and thinkers michio kaku and his quantum physics world deepak chopra and his spiritual philosophy

caroline myss and her work on native american spirituality edgar cayce and his psychic genius here you'll find dr carl jung dr raymond moody jr dr brian weiss dr ian stevenson and dr jim tucker and their research into death and memory here you'll find albert einstein and pythagoras alongside a new jersey cab driver a long island executive a california car mechanic a massachusetts singer a virginia woman of strong christian faith here you'll find mediums from the 1700s on including today's jeffrey wands george anderson lisa williams theresa caputo here you'll find andy griffith and jerry orbach and elvis presley right alongside socrates madame blavatsky abraham lincoln and amedeo modigliani overall the afterlife book is an informative and entertaining read a book that talks about a whole new old way of looking at life and after life jeannie reed notes maybe after reading this we won't be afraid of dying anymore
