sociology is experiencing what can only be described as hyperdifferentiation of theories there are now many approaches competing for attention in the intellectual arena from this perspective we should see a weeding out of theories to a small number but this is not likely to occur because each of the many theoretical perspectives has a resource base of adherents as a result theories in sociology do not compete head on with each other as much as they coexist this seminal reference work was brought together with an eye to capturing the diversity of theoretical activity in sociology specifically the forefront of theory contributors describe what they themselves are doing right now rather than what others have done in the past the goal of this volume is to allow prominent theorists working in a variety of traditions who wouldn't usually come together to review their work the chapters in this volume represent a mix of theoretical orientations and strategies but these theories are diverse and represent the prominent theoretical discussions in sociology today some areas included are section i theoretical methodologies and strategies section ii the cultural turn in sociological theorizing section iii theorizing interaction processes section iv theorizing from the systemic and macrolevel section v new directions in evolutionary theorizing section vi theorizing on power conflict and change section vii theorizing from assumptions of rationality this handbook will be of interest to those wanting a broad spectrum and overview of late 20th early 21st century sociological theory

pitirim a sorokin 1889 1968 was one of the most original important and controversial figures in american sociology his spectacular rise from a peasant childhood in czarist russia to the olympian heights of harvard university provides an unlikely and fascinating lens for examining the history of an entire discipline and as barry johnston shows his equally dramatic fall from favor and unexpected resurrection illuminate both sorokin's life and the tempestuous world of

academic politics an outspoken revolutionary and secretary to alexander kerensky sorokin was imprisoned and ordered executed by lenin then reprieved and exiled during the 1920s he flourished as a teacher and scholar at the university of minnesota where he published several pioneering books on the russian revolution social mobility sociological theory and rural sociology harvard president a lawrence lowell was so impressed that he recruited sorokin to chair the university s first department of sociology from 1930 to 1944 the department prospered under sorokin s leadership attracting an entire generation of young scholars who in their own right would have a profound impact on the discipline in this period sorokin published several volumes of his magnum opus social and cultural dynamics and became embroiled in a bitter battle with rival talcott parsons for control of the department parsons ultimately deposed sorokin and transformed sociology into the department of social relations sorokin nevertheless stayed on at harvard where he established the center for creative altruism but otherwise continued to work in relative obscurity finally in 1963 after years in eclipse sorokin was recognized for his accomplishments when he was elected president of the american sociological association during a long and distinguished career sorokin amassed an amazingly diverse and substantial body of work much of which set the standard for the field at the same time he broke with the conventions of sociology frequently ridiculing and taunting his less adventurous colleagues for his heresy the flamboyant sorokin was condemned and driven to the periphery of a profession anxious for legitimacy as a science as a result sorokin s ideas have been consistently ignored and misunderstood for more than a quarter century based on exhaustive research in sorokin s papers and the harvard archives as well as interviews with sorokin s surviving family members former students and colleagues this biography restores sorokin to his rightful place in the pantheon of american intellectuals
